Subject: RFP to provide Track Design Services - CREATE EW3b - Addendum No. 2

November 17, 2021
NS Worksite File #: TRK0123369

Dear Sir/Madam:

This Addendum No. 2 to the Request for Proposal to provide Track Design Services in support of Norfolk Southern's CREATE EW3b project is being issued to all parties who attended the pre-proposal meeting of November 9, 2021. This Addendum provides notice that the ***submittal deadline for proposals has been extended to 12:00 noon CST (1:00 PM EST), on Tuesday, December 7, 2021.***

Please note that Addendum No. 1 for this project is considered the "Q/A Addendum" and "Pre-proposal Meeting Sign-in Sheet" provided by email to all copied on November 16, 2021.

Should you require any additional information, please contact Jeff Page, Engineer Planning, at (404) 450-4896 or jeff.page@nscorp.com.

A handwritten signature in black ink, appearing to read 'David A. Becker'.
